## Uniform Guidelines

In the following pages you will find important information about Concordia Classical Academy's dress code. While wearing uniforms may not be everyone's favorite rule, most children eagerly wear with pride the uniform of their favorite sports team or the team on which they have earned a place. In the same way, we hope each Concordia student values being a member of our student body and wears the school's uniform with pride. Being a Concordia student is a privilege. As such, we expect our students to know the uniform guidelines and attend to their dress each day so our tutors don't have to. This keeps our tutors from having to be the "police" and thus allows the student-tutor relationship to flourish.

### **GENERAL GUIDELINES**

Students must dress in accordance with their biological sex.

Uniforms, sized appropriately for the wearer, must appear clean and be free of tears and holes upon arrival at school.

Shirts should be tucked in.

Skirt, skort, short and dress lengths should be fingertip length or longer.

Students must be in compliance with the dress code from the time they exit the car in the morning until the end of the school day.

In order to maintain consistency of color and style it is recommended that you purchase from our uniform supplier, Land's End. Our goal in the next few years is to make Land's End our required uniform supplier. If you would like to purchase items now that will be part of our uniform policy in the future, you are safe doing that through the Land's End web link on our website.

Unless stated otherwise by the program directors, students are required to be in the proper uniform for that day. On occasions such as Spirit Days or for events such as field trips, modified uniform guidelines will be communicated.

Uniform items should be labeled with the student's name. Items left unclaimed at the end of each day will be placed in lost and found.

The program directors are the final arbiters of whether a student is in compliance with the dress code.

### **GUIDELINES FOR NON-CLOTHING ITEMS (HAIR, ACCESSORIES, ETC)**

Students' hair must be neat, clean, and groomed so their eyes and face are visible at all times.

Girls may wear jewelry (necklace, bracelet, watch, etc.) as long as it is simple, appropriate to the overall dress, and not distracting or excessive.

Makeup (if worn and only permitted for girls) should be simple and tasteful.

Girls may wear flat headbands, bows, and ribbons.

Hats are not permitted in classrooms or in buildings on campus.

Students may wear watches as long as they do not make any noises. SMART watches are not allowed.

Students should wear shoes that are comfortable and practical. Shoes that are not permitted include slides, Crocs, slippers, tall boots, high heels over 2", and shoes with inappropriate graphics.

Brown or black leather belts are required to be worn with shorts/pants and polos/oxford shirts.
